## **CORRECTION**

Subject: 2020 PHA Annual Plan - Correction

Dear Resident:

This notice is to inform you that a correction has been made to the 2020 PHA Annual Plan. In the original posted 2020 PHA Annual Plan, **C.1 Capital Improvements:** The most recent HUD approved 5-Year Action Plan is stated as being approved in September 2017. However, the plan was modified on April 1, 2020 and approved by HUD. The corrected plan states the correct information.

### **Attached to this notice is the corrected 2020 PHA Annual Plan**

The HAJP 2020 Five-Year Plan and the 2020 PHA Annual Plan, must have resident review and input in order to be accepted by HUD. As such, HUD requires a mandatory 45-day comment period for the residents to review and comment.

This notice is your formal notice that both draft plans are available on the HAJP website: [www.hajp.org](http://www.hajp.org) for your review. Paper copies will be made available for any resident upon request – please leave a written request at the office or email your request to [residentmatters@hajp.org](mailto:residentmatters@hajp.org).

In order to achieve this goal, the HAJP is accepting feedback from residents in the following ways:

1. Comments, suggestions, questions and/or concerns can be handwritten and left at the office.
2. Comments, suggestions, questions and/or concerns can be emailed to [residentmatters@hajp.org](mailto:residentmatters@hajp.org)
3. Comments, suggestions, questions and/or concerns can be expressed at the Public Hearing (date, time and location to be announced at a later date).

Following the 45-day comment period, the HAJP staff will revise both plans based on the resident feedback and both plans will then be provided to the HAJP Board of Commissioners for review and approval.

Sincerely,

Teri Rouzan  
Interim Executive Director
