Re: Transportation Stipends

Dear Resident:

Due to budgetary constraints, the transportation stipend provided to Acre Road residents who have received vouchers will be reduced to \$75.00 a month. The HAJP will periodically reevaluate the budget and will notify residents if there is a change in the stipend amount.

Transportation stipends will now be issued to residents every other month. Checks will be issued again in April and will cover the stipend allotment for March and April. One check in the amount of \$150.00 will be issued for both months, (\$75.00 for March and \$75.00 for April).

Thank you!
